

The Board of Directors voted in September 2011 to create a “Hall of Fame” to honor those that have served the Dixie Boys Baseball organization in an exemplary manner. It was determined from the inception that recognition would be broad-based. To accomplish the various task of developing the Hall of Fame “A Hall of Fame Committee” was created. The committee decided beginning in 2013 in order to be eligible for consideration (an individual, sponsor, league, community, umpire, etc.) a requirement of a nomination form be submitted on their behalf. Nomination forms would be available from the website at www.dbbusa.org or from any Board Member. All submitted nominations would be evaluated based on criteria established by the Hall of Fame Committee.

All Hall of Fame nominations should be submitted to the Commissioner/CEO by May 1 each year. The Board of Directors of Dixie Boys Baseball will make the final determination.

In 2011 the Board approved an individual deserving of immediate recognition as a “Hall of Fame Member”. As such, the Class of 2011 included only one member, W.E. “Bubba” Brasher.
